To: The Parents of Malcolm Little
From: Mr. Ostrowski

Malcolm Little is a very good student. He stays focused on his assignments and completes them in a timely manner. Malcolm is very smart and academically he is in the top percentage of his class. The only issue I have with Malcolm is that he does not think realistically. I asked Malcolm what he wanted to be when he grows up and he stated, he wanted to be a “Lawyer”. I explained to Malcolm a lawyer is not a realistic goal for a nigger. I advised Malcolm that he needs to refocus his career agenda and think about being a field-worker, railroad worker or a carpenter; careers that are more suitable for a nigger, please talk to Malcolm and help him understand.

Thank You,

Mr. Ostrowski,

West High, Lansing, English Teacher

Dear: Mr. Elijah Muhammad

All my life I have been nothing. I had been a thief; I would break into peoples homes and take things that didn’t belong to me. I had been a gambler; I would run numbers on the street for a hustle. I had been a liar; I would lie about anything just as long as it would benefit me. I had taken drugs and sold drugs to numerous people destroying their lives. I have hurt lots of people in my life time and I’m very sorry.

After getting arrested and sentenced to 10 years in prison I was able to reevaluate my life and that is where I found you, where I found the Nation of Islam. My past is now all behind me and I’m not the same person who walked into this Jail 9 years ago, but with all my past mistakes I feel I not worthy to even be apart of the Nation of Islam. I throw myself on the mercy of you and ask that you except me into the Nation of Islam.

I will be out of prison soon and I hope to have an opportunity to meet with you.

Thank you,
Malcolm
