Environmental Health and Safety Manager

We are seeking an experienced and self-motivated professional. This position will be responsible for a variety of regulatory compliance activities related to employee safety, chemical use, air & water quality, and waste management across all of our Southern California Forest Lawn locations. We offer an Outstanding Compensation and Benefits Package, which includes Medical and Dental Insurance, Paid Vacation, 401k plan with company match, Tuition Reimbursement Program, Cash Balance Retirement Plan and much more.

In this role you will be involved with:

- California Occupational Safety and Health Administration (Cal/OSHA) and behavior-based safety principles.
- Illness and injury prevention; risk assessment and mitigation; incident investigations; hazardous materials communication and awareness; occupational safety and environmental programs compliance.
- Assessing health and safety trends and best practices; developing procedures in accordance with Cal/OSHA regulations.
- Development, implementation, and analysis of programs and procedures related to Forest Lawn’s environmental and occupational health and safety programs.
- Maintaining contact with departments, organizations, and employees with specific EHS compliance responsibilities.
- Creating written safety programs, procedures, and practices that are Compliant with Cal/OSHA standards.
- Developing and presenting department-specific training classes on EHS programs for supervisors in a train-the-trainer format, and employee groups.
- Bid solicitation from qualified consultants and contractors for outsourced EHS related work.
- Development and maintenance of records necessary to comply with federal, state, and local regulations.
- EHS regulatory inspections and coordination of any required response to regulators.

Requirements:

- Minimum of 5 years in an EHS related field.
- Bachelor’s Degree in an EHS related field.
- Familiarity with Cal/OSHA standards, SCAQMD rules, safety, environmental and waste management regulations.
- Strong communication, conflict resolution, and interpersonal skills.
- Demonstrated ability to interact with multiple levels of the organization and with outside agencies and customers.
- Program development and implementation of new or changing regulations.
- Proficient in Microsoft Office suite programs; Word, Excel, Powerpoint and Access.
- Valid California Driver’s License, reliable transportation and ability to travel to our 11 Forest Lawn locations in Southern California
